Duke Molecular Physiology Institute Integrative Biology Seminar Series, 
Fall, 2019 - Spring, 2020

Location: Michelle P. Winn Memorial Lecture Hall, 
Carmichael Building, 300 North Duke Street

All lectures are held at 4:00 p.m. on Tuesdays, except where indicated

Fall, 2019 semester

September 11  Bruce Spiegelman, PhD, Stanley J. Korsmeyer Professor of Cell Biology and Medicine, Dana Farber Institute, Harvard 

*Note: This is the annual jointly sponsored seminar with East Carolina University Diabetes and Obesity Institute held at DMPI this year (note lecture will occur at 4 PM on a Wednesday followed by a dinner reception for all attendees)*

October 1  Erin Baker, Ph.D., Associate Professor, Department of Chemistry, NC State University

October 15  Patrick Hu, Associate Professor of Medicine & Cell and Developmental Biology, Vanderbilt University

October 22  Rosalind Coleman, Retired Professor of Nutrition, UNC-Chapel Hill, “Reflections on a life as a woman scientist, and scientific questions that still burn”

October 29  Andrea Haqq, MD, Associate Professor of Pediatrics, University of Alberta, Canada

November 14-15  Jens Holst, MD Professor of Medicine, and Mette Rosenkilde, PhD, Professor of Pharmacology, University of Copenhagen (Dr. Rosenkilde will give the DMPI talk on Nov. 14 and Dr. Holst will give Endocrine Rounds on Nov. 15; times TBA)

December 3  Donald Scott, Ph.D., Professor, Division of Endocrinology, Diabetes and Bone Diseases, Mt. Sinai Icahn School of Medicine, New York

December 10  Jarrod Call, Ph.D., Assistant Professor, Department of Kinesiology (Exercise Science Programs), University of Georgia

December 17  Marcus Goncalves, MD, PhD, Assistant Professor, Endocrinology, Diabetes and Metabolism, Cornell Medical College, New York
